BABY'S ECZEMA

Top of Head Covered with Scales Which Peeled off Taking Hair with Them.

CURED BY CUTICURA

Now Six Years Old with Thick Hair and Clean Scalp. Cure Permanent.

"My baby was about six weeks old when the top of her head became covered with thick scales, which would peel and come off, taking the hair with it. It would soon form again and be as bad as before. I tried several things and then went to the doctor. He said it was Eczema, and prescribed an ointment, which did not do any good. A friend spoke of Cuticura Soap. I tried it and read on the wrapper about Cuticura Ointment as a remedy for Eczema. I bought a box and washed her head in warm water and Cuticura Soap and gently combed the scales off. They did not come back and her hair grew out fine and thick. She is now a year and a half old and has no trace of Eczema."

MRS. C. W. BURGESS, Frankston Ave., Bridgeport, Conn., Feb. 21, 1898.

Mrs. Burgess writes Feb. 23, 1903:

"My baby, who had Eczema very badly on her head, as I told you before, after using the Cuticura Remedies was cured. She is now six years old and has thick hair and a clean scalp."

Instant relief and refreshing sleep for skin-tortured babies and rest for tired, worried mothers in warm baths with Cuticura Soap, and gentle anointings with Cuticura Ointment, purest of emollients and greatest of skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scalp troubles, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and the best physicians fail.

Sold throughout the world. Cuticura Resolvent, 25c. (in form of Chocolate Coated Pills, 25c. per vial of 50). Ointment, 50c. Soap, 25c. Depot: London, 27, Chatter-box Lane, E.C. 4. New York, 107, Columbus Ave. Fuller Drug & Chem. Corp., Sole Proprietors. See Ad for "The Great Humour Cure."

The Infirmary bond issue was snowed under by the people of the county—188 for and 1,388 against is the way the vote stands.

LECTURE COURSE

The Y. M. C. A. Has Secured Good Entertainers for This Winter

The Y. M. C. A. has taken upon itself the responsibility of presenting a lecture course to the Mayaville public. The success of this worthy undertaking depends upon the citizens of our little city. The expense of a high-class course is heavy, and if the Association comes out even in the enterprise it will rejoice, realizing that they have tried to uplift and educate the public to higher ideals.

Mr. Brown, the Secretary, deserves great credit for undertaking the effort, and every citizen who desires to have the morals and trend of thought elevated through a high-class entertainment course should take hold of this work.

The following five entertainers have been secured, leaving three to be selected as yet, making eight in the course:

November 14th—Gilbert A. Eldredge, Impersonator. Mr. Eldredge has a National reputation, and presents a widely varied, artistic and popular repertoire of costume interpretations of a high order, changing quickly from humorous to pathetic and from dramatic to sentimental.

December 30th—The Alice Carey Concert Company. A trio of artists of various gifts. Those who enjoy good music will be delighted with this entertainment.

January 6th—Franklin Caveny, "chalk talker," artist, humorist and lecturer. He is a witty and artistic genius.

January 27th—Rufus Everson King, in his keen, humorous lecture, "The Almighty Dollar." February 27th—The Pierces, Society Entertainers. People that you will enjoy.

During March and April the other three entertainments will be given. Mr. Brown is trying to secure one of the famous Male Quartettes. These eight entertainments will cost you \$2 if you buy a season ticket, including reserved seats.

The Greenwood passed up Wednesday night on her first trip in the Gallipolis trade.

At last the long dry spell has been broken and rivermen all along the line are correspondingly happy.

From reports emanating from Cincinnati and Pittsburgh it is evident that business competition on the upper Ohio will be lively during the coming winter. Two companies are already in the field, and in all probability another will enter before the month is out.

As soon as possible the Government authorities will place about sixty-three lights along the Monongahela river to mark a number of sunken wrecks for warnings to pilots. There are a number of sunken coalboats along the river, and also a number of dangerous bars and other obstructions.

The new packet company, headed by Captain Gordon Green, which will take possession of the White Collar Line's up-river steamers and up-river trade out of Cincinnati, will be known as the Cincinnati and Pomeroy Packet Company. The new company owns 12 steamers now in different trades on the Ohio, Kanawha and Monongahela rivers. The big Cincinnati deal leaves the White Collar Line only in possession of the Louisville trade, with its packet boats City of Cincinnati, City of Louisville and the Indiana.

Mrs. Elizabeth H. Thompson, of Lillydale, N. Y., Grand Worthy Wise Templar, and Member of W. C. T. U., tells how she recovered from a serious illness by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am one of the many of your grateful friends who have been cured through the use of Lydia E. Pinkham's Vegetable Compound, and who can to-day thank you for the fine health I enjoy. When I was thirty-five years old, I suffered severe backache and frequent bearing-down pains; in fact, I had womb trouble. I was very anxious to get well, and reading of the cures your Compound had made, I decided to try it. I took only six bottles, but it built me up and cured me entirely of all my troubles. My family and relatives were naturally as gratified as I was. My niece had heart trouble and nervous prostration, and was considered incurable. She took your Vegetable Compound and it cured her in a short time, and she became well and strong, and her home to her great joy and her husband's delight was blessed with a baby. I know of a number of others who have been cured of different kinds of female trouble, and am satisfied that your Compound is the best medicine for sick women."—MRS. ELIZABETH H. THOMPSON, Box 105, Lillydale, N. Y.

Thousands upon thousands of women throughout this country are not only expressing such sentiments as the above to their friends, but are continually writing letters of gratitude to Mrs. Pinkham, until she has hundreds of thousands of letters from women in all classes of society who have been restored to health by her advice and medicine after all other means had failed.

Here is another letter which proves conclusively that there is no other medicine to equal Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered with poor health for over seven years, not sick enough to stay in bed, and not well enough to enjoy life and attend to my daily duties properly. I was growing thin, my complexion was sallow, and I was easily upset and irritable. One of my neighbors advised me to try Lydia E. Pinkham's Vegetable Compound, and I procured a bottle. A great change for the better took place within a week, and I decided to keep up the treatment. Within two months I was like a changed woman, my health good, my step light, my eyes bright, my complexion vastly improved, and I felt once more like a young girl. I wonder now how I ever endured the misery. I would not spend another year like it for a fortune."

"I appreciate my good health, and give all the praise to Lydia E. Pinkham's Vegetable Compound."—MRS. M. TILIA, 407 Halberstein St., Savannah, Ga.

Mrs. Pinkham has on file thousands of such letters.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

THE GOVERNMENT BUILDING

First Brick Laid Yesterday With Appropriate Ceremony

Notwithstanding the inclement weather, the program as arranged for the laying of the corner stone—brick rather—of the Government Building came off yesterday morning at 9:30 o'clock.

Besides the Government Supervisor, D. A. Murphy, Contractor Clark, Postmaster Mathews and Mayor Stallcup, there was a goodly number of onlookers, both men and women, to witness the ceremony.

The Southeast corner was chosen as the spot and Lucien Guy, acting the part of a Liberty pole, Old Glory was floated to the breeze, and "neath its protecting folds the first brick was laid by the Sponsor, Miss Nettie Cook Dobyne, who was attended by Misses Mary Hughes Frank, Frances Harbour and Jennie Douglas Dobyne.

After Postmaster Mathews had tied flag-ribbons on horarms as an insignia of office, Miss Dobyne was given a diminutive trowel which she used in laying the brick, the mortar being taken from a fancy plate that had been made for the occasion.

As is customary on such occasions, money and other articles are always placed beneath the stone, and in this instance silver and copper pieces, together with a beer check, answered the purpose; the latter was furnished, it is said, by Deacon Lane, who no doubt wished to mystify the twenty-first century people as to the kind of money mostly used in the twentieth century.

While the ceremony was in progress Mr. James T. Kackley took a snap shot of the assemblage, and that over the crowd dispersed. Work on the foundation will begin at once.

OLD AGE BROUGHT NO INFIRMITIES

To "The Autocrat of the Breakfast Table."

Oliver Wendell Holmes, after eighty years of life had rolled over his head, declared that he was "eighty years young." "So may every man and woman in Maysville," said Druggist John C. Pecor, "if they will take proper care of themselves, keep built up and their bodily tissues from wasting."

"I wish I could persuade every person in this vicinity who 'feels old,' whether they are so in years or not, to take our splendid cod liver oil preparation, Vinol. It is by far the greatest tissue builder and invigorator in the world for old people. Vinol is not a patent medicine, but simply contains the body-building, strength-creating properties of cod liver oil actually taken from fresh cods' livers, and we guarantee that it will repair worn tissues, check the natural decline and replace weakness with strength."

"There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin and sluggish, but we guarantee that Vinol will enrich and quicken the blood and build up the system. It contains no whisky or strong stimulants, which have a bad after effect and weaken and break down, and we therefore wish every person who 'feels old' in this vicinity would try Vinol on our guarantee to return their money if they are not satisfied." J. C. Pecor, Druggist.

THE MOONSHINER'S DAUGHTER.

Lexington Herald, November 9th, says—"The Moonshiner's Daughter" returns to the Opera-house Saturday, matinee and night, for another engagement. This thrilling melodrama pleased a large audience at the Opera-house Tuesday night and on account of its excellence as a popular price attraction was rebekooked.

If this attraction can please Lexington patrons for three performances in one week, Maysville theater-goers can rely upon seeing a good company in a play of the Kentucky mountains dealing with Moonshiners and mounted with all special scenery, and one that will please as well as "To Die at Dawn" did. See this play at The Washington Monday night. Seat sale Monday at Ray's.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Mr. C. L. Carr, living a short distance from this city, has the champion rooster story to tell, which shows conclusively how the really good Democrats actually feel over the late election.
